Best ratings of **A-:VI or higher**. The Other Party shall provide evidence of such insurance as required by the Agency. The certificates of insurance shall confirm that a thirty-day policy cancellation notice has been provided to the Agency for all of the following stated insurance policies. All cancellation notices shall name the Other Party and identify the agreement or contract number.

A. **Workers Compensation**

Workers Compensation insurance shall be in compliance with the Workers Compensation law of the State of the Other Party's headquarters. Employers Liability is included with a minimum limit of \$500,000 per accident/per person/per disease. Best's insurance company rating requirement may be waived for workers compensation coverage only.

B. **Commercial General Liability**

Commercial General Liability insurance, including Personal and Advertising Injury Liability, shall have a minimum limit per occurrence of \$1,000,000 and a minimum general aggregate of \$2,000,000. Insurance Services Office Commercial General Liability occurrence coverage form CG 00 01 (current form approved for use in Louisiana) is to be used in the policy. Claims-made form is unacceptable.

C. **Automobile Liability**

E. Builders Risk Coverage: (See information on following Pages) DOES NOT APPLY TO THIS PROJECT

- F. If at any time an insurer issuing any such policy does not meet the minimum A.M. Best rating, the Other Party shall obtain a policy with an insurer that meets the A.M. Best rating and shall submit another certificate of insurance as required in the contract. Upon failure of the Other Party to furnish, deliver and maintain such insurance as above provided, this contract, at the election of the Agency, may be suspended, discontinued or terminated. Failure of the Other Party to purchase and/or maintain any required insurance shall not relieve the Other Party from any liability or indemnification under the contract.

G. All Certificates of Insurance of the Other Party shall reflect the following:

The Other Party agrees to investigate, handle, respond to, provide defense for and defend any such claims, demands or suits at its sole expense and agrees to bear all other costs and expenses related thereto, even if the claim, demand or suit is groundless, false or fraudulent.

- I. Any deductibles or self-insured retentions must be declared to and accepted by the Agency. Any and all deductibles shall be assumed in their entirety by the Other Party. If the Other Party's financial stability in relation to a high deductible/self-insured retention amount is in question, at the option of the Agency, the Contractor can procure a surety bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- J. All property losses caused by the actions of the Other Party shall be adjusted with and made payable to the Agency.
- K. Neither the acceptance of the completed work nor payment shall release the Other Party from the insurance requirements and indemnification agreement obligations.
- L. Additional insurance may be required on an individual basis for hazardous activities and specific service agreements. If such additional insurance is required for a specific contract, that requirement will be described in the "Special Conditions" section of the bid/contract.

1. General Liability and Automobile Liability Coverages

- a. The Agency, its officers, agents, employees and volunteers shall be named as an additional insured as regards negligence by the contractor. ISO Form CG 20 10 (current form approved for use in Louisiana) is to be used when applicable. The coverage shall contain no special limitations on the scope of protection afforded to the Agency.
- b. The Contractor's insurance shall be primary as respects the Agency, its officers, agents, employees and volunteers. Any insurance or self-insurance maintained by the Agency shall be excess and non-contributory of the Contractor's insurance.
- c. Any failure of the Contractor to comply with reporting provisions of the policy shall not affect coverage provided to the Agency, its officers, agents, employees and volunteers.
- d. The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the policy limits.

2. Workers Compensation and Employers Liability Coverage

The insurer shall agree to waive all rights of subrogation against the Agency, its officers, agents, employees and volunteers for losses arising from work performed by the Contractor for the Agency.

3. Builder's Risk

The policy must include an endorsement providing the following:

In the event of a disagreement regarding a loss covered by this policy which may also be covered by a State of Louisiana self-insurance or commercial property policy through the Office of Risk Management (ORM), Contractor and its insurer agree to follow the following procedure to establish coverage and/or the amount of loss:

Any party to a loss may make written demand for an appraisal of the matter in disagreement. Within 20 days of receipt of written demand, the Contractor's insurer and either ORM or its commercial insurance company shall each select a competent and impartial appraiser and notify the other of the appraiser selected. The two appraisers will select a competent and impartial umpire. The appraisers will then identify the policy or policies under which the loss is insured and, if necessary, state separately the value of the property and the amount of the loss that must be borne by each policy. If the two appraisers fail to agree, they shall submit their differences to the umpire. A written decision by any two shall determine the policy or policies and the amount of the loss. Each insurance company agree that the decision of the appraisers and the umpire if involved will be binding and final and that neither party will resort to litigation. Each of the two parties shall pay its chosen appraiser and bear the cost of the umpire equally.

4. All Coverages

Each insurance policy shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party (the Contractor or the insurer) or reduced in coverage or in limits except after thirty (30) days prior written notice has been given to the Agency.

D. ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of **A-:VI or higher**. This rating requirement may be waived for workers compensation coverage only.

E. VERIFICATION OF COVERAGE

Contractor shall furnish the Agency with certificates of insurance reflecting proof of required coverage. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the Agency before work commences and upon any contract renewal thereafter. The Agency reserves the right to request complete certified copies of all required insurance policies at any time.

Upon failure of the Other Party to furnish, deliver and maintain such insurance as above provided, this contract, at the election of the Agency, may be suspended, discontinued or terminated. Failure of the Other Party to purchase and/or maintain any required insurance shall not relieve the Other Party from any liability or indemnification under the contract.

F. SUBCONTRACTORS

Contractor shall include all subcontractors as insureds under its policies OR shall be responsible for furnishing separate certificates for each subcontractor to the Agency. All coverages for subcontractors shall be subject to all of the requirements stated herein.
